Yellow for Millinery.

Yellow is a color that appears to be sometimes finished with a ruffle of the growing in favor, especially in millinery. Yellow chiffon, lace, tulle, Spanish blonde crepe lisse, and deep orange and olive velvets are mingled with primrose, double yellow hollyhocks, honeysuckle sprays, and large yellow-hearted waterlilies. Openwork lace straw hats are trimmed with fan plaitings and plaques of yellow lace; and Isabella roses, nas turtiums, and purple and yellow pansies are also used in conjunction.

Dadors and Friezes.

There is greater interest, as greater production, this year of dadoes and decorated with marvellous paper flowfriezes. This is an age of economy; people think more for themselves than they used to. To Care for SUR Underscear.

Silk stockings and silk underwear generally should not be worn two days in succession. When taken off they should be shaken free of dust, turned inside out and hung in a current of air. This will reduce the number of washings necessary to them. They should be washed in warm, but not hot, suds made with white Castile soap and

The guests were requested to come without gifts, but if one wills it otherwise so many beautiful things can be fashioned out of a little crepe paper that it is no grievous tax on one's friends. Lamp shades, articles for the dressing table and table spreads are pretty gifts. Choice photographs, etch books and a subscription for a magazine would give a more enduring
